

# Privacy Policy

Last Updated: 27 February 2026

---

## 1. Nature of TamilCoin (Decentralized Protocol)

TamilCoin is a decentralized blockchain-based token project. We do not:

- Operate as a centralized exchange
- Provide custodial wallet services
- Hold or control user funds
- Require account registration
- Conduct KYC (unless explicitly announced in the future)

All token transactions occur directly on public blockchain networks via smart contracts.

## 2. Information We Collect

### A. Public Blockchain Information

When users interact with TamilCoin through a wallet connection, the following may be publicly visible on the blockchain:

- Wallet address
- Transaction history
- Token balances
- Smart contract interactions

This information is permanently recorded on public blockchain networks and is not controlled by TamilCoin.

### B. Voluntarily Provided Information

If you contact us through email, WhatsApp support, or any communication channel provided on our Website, we may collect:

- Name
- Email address

- Any additional information you choose to share

### **3. How We Use Information**

We may use collected information to:

- Improve website performance and user experience
- Monitor and analyze traffic patterns
- Maintain platform security
- Respond to user inquiries
- Prevent fraud or malicious activity

TamilCoin does not sell, rent, or trade personal information.

### **4. Wallet and Private Key Responsibility**

TamilCoin does not:

- Access private keys
- Store private keys
- Control user wallets
- Initiate transactions on behalf of users

Users are solely responsible for safeguarding their private keys and wallet credentials.

### **5. Cookies & Analytics**

TamilCoin may use essential cookies, performance cookies, and third-party analytics tools. You may disable cookies through your browser settings.

### **6. Third-Party Services**

The Website may contain links to third-party platforms such as exchanges, wallet providers, blockchain explorers, or decentralized applications (DApps). TamilCoin is not responsible for third-party privacy practices.

### **7. Data Retention**

Website analytics and communication data are retained only as long as necessary for operational purposes. Blockchain transaction data is permanently stored on public blockchain networks.

## **8. Security**

We implement reasonable technical measures to protect collected information. However, no system is completely secure and blockchain transactions are irreversible.

## **9. Children's Privacy**

TamilCoin is not intended for individuals under the age of 18. We do not knowingly collect personal data from minors.

## **10. International Users**

TamilCoin operates globally. Information may be processed in jurisdictions outside your country of residence.

## **11. Changes to This Privacy Policy**

TamilCoin reserves the right to update this Privacy Policy at any time. Updates will be reflected by modifying the 'Last Updated' date.

## **12. Contact Information**

Email: [support@tamilcoin.io](mailto:support@tamilcoin.io)

Website: <https://tamilcoin.io>

## **Final Legal Statement**

TamilCoin operates through decentralized smart contracts deployed on public blockchain networks. We do not control the underlying blockchain infrastructure and are not responsible for blockchain network performance or protocol-level changes.
